DPEHS, Alagappa University Karaikudi.

# About PSNCET

PSN College of Engineering and Technology(PSNCET), Tirunelveli, was established by the PSN Educational and Charitable Trust in the year 2001 under the leadership of Dr. P. Suyambu a multi – tasked personality with admirable academic brilliance. The College is located at Melathediyoor, 12km away from Tirunelveli unfolding its grandeur over 27 acres of land. The College exhibits an attractive panorama conducive for education and research due to its serene surroundings covered by green trees at the backdrop of mountains with birds chirping all time. PSN College of Engineering and Technology was conferred with autonomous status by University Grants Commission (UGC), New Delhi from 2012 – 13 onwards enabling the college to fulfill the aspirations of the students in getting quality education and better employment. The PSN group with a network of eight institutions has made tremendous strides in the field of higher education. PSNCET offers 8 UG, 8 PG and 5 PhD programmes. This institution has been recognized u/s 2(F),12(B) by UGC, accredited by NAAC. The college has four Centres of Excellence – PSN- BOSCH REXROTH, PSN-INTEL, PCB design and PSN-National Instruments. This is an ISO 9001:2015 certified institution. The College has signed MOU with University of Malaysia Pahang for staff & student exchange, and collaborative research with VECC, Kolkata. AICTE (All India Council for Technical Education) is one of the statutory body which governs the activities of National Level Technical Education for Higher Education Institutes (HEI). AICTE provides fund for organizing this faculty development programme (FDP) to develop the skills of the faculty members.

## FDP on Physical Education

This FDP programme focuses on the skill development for the physical education teacher from various institutes. The goal of this FDP programme is to improve the mental and physical abilities of the physical education teachers. Sports management and its analytics, yoga, mass drills performance and demonstration, technical skills, psychology, medicine, health education, fitness, and other mandatory rules are key aspects of this FDP.

## Learning Outcome

At the end of the programme the participants will be able to,

1. Implement new technical and sports skills,
2. Develop visionary ideas on sports and games,
3. Update in their area of sports and games,
4. Implement updated rules and regulations of the sports and games,
5. Contribute more to the sports management technology

## Who can participate?
